**Principal’s Report**

**Website Launch**

How exciting our new Keilor Heights Primary School website is ready to launch!!! We go live tomorrow afternoon at approximately 3pm.

This has been a long time in the development and although we haven’t got everything on the site yet, we are well on the way. Please take the time to check it out. Our website address remains the same [www.kheights.vic.edu.au](http://www.kheights.vic.edu.au)
We will be introducing different aspects of the website to you as well as handy functions such as registering your child’s absence from school, in the next few weeks.

**Election Day BBQ help – We need you**

On Election Day, the PFA is holding a BBQ at the school. As the school is a polling booth and likely to have well in excess of 1000 voters on the day, we are aiming to fundraise by selling sausages. Hopefully the smell of the onions will attract many locals and tempt their taste buds! The PFA have been extremely busy and were concerned by another commitment of time and funds, but after a discussion, we felt this was a great opportunity to raise funds for the school from the wider community and not just school families. So we decided to go with it.

We need volunteers to man the BBQ on the day. If you can spare an hour or two please put your name down at the school office.

**Parent/Teacher Interviews – Wednesday 22nd June**

Our Parent /Teacher Interviews will be held on Wednesday 22nd June starting in the afternoon and going through to early evening. This is a great opportunity for parents and teachers to sit together and discuss each students’ progress in detail. Student reports will be distributed on Monday 20th June. Further information and booking instructions will be out shortly.

**Chocolates**

Each family received a box of Cadbury Fundraising Chocolates on Monday. These chocolates are $1 each, with the complete box costing $50. If families sell a full box, they will go into a draw to win a $50 Coles Myer voucher.

All monies and unsold chocolates are due back to the office by Friday 10th June.” It is great weather to snuggle up with a warm drink and a special treat!!!
Bully Zero Foundation Presentation.

Yesterday we held a very successful anti-bullying day for our students from grades 3-6. The Bully Zero Foundation presented to students a detailed definition of bullying and its different types. An emphasis was placed upon cyberbullying with many strategies outlined to support students in keeping themselves safe.

Some of the students’ comments were:

- **Things I learnt are that there are 4 types of bullying:**
  - cyber is when you post mean things online.
  - social is when you leave people out.
  - verbal is when you say mean things.
  - physical is when you hurt someone by hitting, kicking or punching.
  Harmony 3C

- **The bully is the one that bullies the person.**
  The victim is the one that gets bullied.
  The bystander is the one that helps victims.
  Seth 3C

- **Bullying means that you are hurting someone’s feelings.**
  Zoe 3C

- **Bullying is when people do the things again and do it on purpose.**
  Jada 3C

After school it was the staff’s turn. The presenter from Bully Zero spoke at an adult level of the impact of bullying and our role as professionals in supporting families and students.

In the evening, our parents had the opportunity to attend a session. While we didn’t have a lot of parents, those that attended were very appreciative of the new knowledge they now have.

We were also privileged to have a parent presenter speak about his family’s experience. This was extremely powerful and left us with the clear message that it is our responsibility as parents to protect our children from the impact of cyber bullying. Thank you to those parents that attended.

Over the next few weeks I will include snippets of the information in the newsletter to further our message of “ANTIBULLYING”.

Bullying is defined as:

Bullying is when an individual or group uses its power and strength to repeatedley, deliberately and intentionally use words or actions against another or a group that hurts, threatens, excludes, harasses, humiliates verbally, physically, psychologically or electronically making the victim feel oppressed, traumatized and powerless.

Thank you to Mr Brad Scott for organising the Bully Zero Foundation presentations and thank you to the school community at KHPS for valuing this important message.

Have a great week!

Local Census jobs available now

Make a difference in your community and join Australia’s largest logistical peacetime operation – the 2016 Census of Population and Housing.

Census night is August 9, and the Australian Bureau of Statistics is right now looking for dedicated, enthusiastic self-starters to fill up to 6,900 Field Officer positions across Victoria. If you’re community minded and comfortable using a mobile or tablet device, the ABS wants to hear from you.

Field Officers play a critical role by visiting households and ensuring everyone makes the Census count. They’ll also earn around $21 an hour and enjoy flexible, part-time work hours for up to 3 months. To do the job you’ll need to be a good communicator, reasonably fit, licensed to drive and able to travel and work independently.

Term 2, 2016 PMI Stars Awards

Each school term as part of the PMI Stars Program, students have the opportunity to demonstrate their musical skills and advance through the PMI Stars program. The program consists of 100 “Star Missions” that students need to complete as part of their musical journey through keyboard or guitar. Each Mission is based on one of the five important musical skills that students must learn: musical theory, sight reading, aural skills, practical skills and performing.

The Star Missions are grouped into a series of 18 levels that students can achieve, with names such as Musician, Performer, Maestro, Virtuoso, etc. Students who achieve a level will receive a progress report, a Star Board with stickers (for the fridge!) and a coloured wristband. Students can collect each of the wristbands for the levels they complete.
